

THE NAME OF GOD

God reveals who He is through each of His names. Each name represents an aspect of His divine nature. When you proclaim His name through song, meditation and declaration, God not only reveals who He is, but “releases” who He is into your immediate environment.

Take each of these 8 names of God below (there are more) and focus individually on what God is really like! Pray the names of God as affirmations of praise! Think on the implication of these names and you’ll begin to experience God’s presence more and more. Your faith will grow deeper and your praise higher!
